

## 2009-10 FCA Gems Uniform Approval for Reuse or Resale

**Cheerleader's Name:** \_\_\_\_\_ **Squad (for this uniform):** \_\_\_\_\_

In order to reuse your existing uniform for the 09-10 competitive season, it must still fit appropriately and be approved for re-use. If you are getting it altered so that it 'fits', the alterations must be done prior to getting approval. All re-use approval needs to occur before new uniforms are ordered in July.

In order to sell your used uniform, it must be approved. Do NOT plan on trying to sell a uniform that is not in a condition for which you would purchase the uniform for your own child.

This form must be completed for EACH uniform for which you want to receive reuse approval or resale permission.

All completed 'reuse' forms should be put in 'Bonnie's Box' in the large balcony. All completed 'resale' forms should go in the bag with the used uniform or given directly to Bonnie.
