

## 2010-11 FCA Competition Fees Payment Schedule

The competition fee structure at FCA is designed for individuals to make 3 payments at staggered dates to cover the competition and coach fees for the season. It is also structured so that we can register for all events as early as feasible to ensure the best possible pricing. Therefore, it is important that payments be made on time or else EVERYBODY ends up having to pay higher registration fees.

**Notes:**

Pricing for the U.S. Finals is based on teams receiving a 2nd place bid. If they receive a 1st place bid or a paid bid, adjustments will be made to the final payment.

Onyx will be attending 4 competitions - 3 local and Jamfest SuperNationals
